AN INVITATION

To Every Prospective Commerce Student.

Two important considerations must weigh with you in the selection of a Commerce College :—

- (1) The acquisitions of most thorough and comprehensive knowledge as will enable you to efficiently meet the exacting requirements of the modern business world; and
- (2) The maximum certainty of examination success or honours at the first attempt.

BATLIBOI'S ACCOUNTANCY TRAINING INSTITUTE

most confidently claims that towards satisfying these two essentials it can serve in every respect better than any other institution. Its extensive organisation has enabled it to provide its students with a high standard of tuition service which no smaller institution can afford to offer. Its Teaching Staff is composed of specialists who, by their scholastic achievement and professional and educational experience, are most thoroughly qualified for their work, and as a result, the Institute enjoys to-day a front-rank position and an unassailable reputation for the thoroughness and comprehensiveness of its Training. **In order to enable you to decide upon the choice of an institution with full knowledge of the facts, this Institute invites you to thoroughly investigate its Coaching Service before joining. You are sure to profit by such investigation.**

SPECIALISED BANKING, COMPANY MANAGEMENT, SECRETARIAL, ACCOUNTING & AUDITING COURSES

The Institute has Specialised Courses in Banking (C.A.I.B.), Company Management and Secretarial Practice (F.I.S.A.), Accounting (F.C.R.A.), Auditing (G.D.A.) and General Commerce (D. Com. M.C. & L.C.C.) to suit **Graduates, Matriculates and Non-Matriculates.**

TUITION BY POST

The Institute's System of Postal Tuition is an improvement upon and is immeasurably superior to all other existing methods of coaching by correspondence. The Coaching Papers are most comprehensive and complete and are compiled by specialists in their subjects. The well-planned time-table, the helpful study-notes, the searching test-papers and the model answers all combine to make the Institute's Postal Course indispensable to all ambitious students residing out of Bombay.

Distance is no impediment to effective coaching, and the up-country student can save himself all the trouble and expense of a stay in Bombay during the entire period of his studies.

**For further particulars as to Courses, Fees, etc., call or write at

"DE LAITTE" PETROL-AIR-GAS PLANT.

**DRIVEN BY FALL OF
WEIGHTS LIKE A
GRANDFATHER CLOCK.**

**ABSOLUTELY SELF-
CONTAINED. EVER READY
YET NEVER WASTEFUL.**

PETROL GAS is simply petrol vapour mixed with a very large proportion of AIR. Air costs nothing—MOTIVE POWER costs nothing.

"DE LAITTE" is the only satisfactory system now recognized and used throughout India and elsewhere for—

LIGHTING by means of incandescent mantles of varying candle powers. The colour of the light is beautifully pure white, free from ultra-violet rays.

HEATING in College, School and Research Laboratories, etc. The Gas produced is highly effective for use with Bunsen Burners, Blow-pipes, Furnaces, Autoclaves, etc.

COOKING in country houses, clubs, hospitals, etc., for heating the rooms, warming water for baths, far more efficiently and economically than electricity.

Plants driven by electric motor, hot-air motor or hydraulic motor can also be supplied. Full particulars, estimates, etc., on application.

CURED QUICKLY BY

Tropical Medicines

Kaviraj N. N. Sen, M.C.S. (Paris),
S.C.I. (London), M.S.A.S. (London),
M.C.S. (New York).

Kaviraj Nagendra Nath Sen, Government Medical Diploma Holder, Member of various Chemical and Surgical Societies of Paris, the United Kingdom, and America, and Author of several Medical Books, has, by the judicious combination of the Eastern and Western Systems of Treatment, been able to acquire wonderful results in all sorts of ailments—(constitutional, physical, or mental)—however violent and unyielding. His system of treatment, extending over more than 31 years, has acquired well deserved distinction.

The Hindu System of Treatment, like any other Hindu Philosophy, is transmitted from father to son, or from the saint to his disciples. Kaviraj N. N. Sen and his son, Kaviraj S. P. Sen, coming as they do from an old family of the Physician Caste, possess many family secrets and command advantages which are in themselves unique.

BAHAWALPUR STATE—Punjab

A Native State in direct political relationship with the Government of India through the Agent to the Governor-General, Punjab States Agency, Bahawalpur, is situated between the Punjab and Rajputana, Lat 27° 41' to 30° 22' 15" Long 70° 47' to 74° 1', and bounded on the North-East by the District of Ferozepur; on the East and South by the Rajputana States of Bikaner and Jaisalmer; on the South-West by Sind, and on the North-West by the Indus and Sutlej rivers. Area, 15,000 square miles

The State is about 300 miles in length and about 50 miles wide, is divided lengthwise into three great strips. Of these, the first is a part of the Great Indian Desert; the central tract is chiefly desert, not capable of cultivation identical with the Bar or Pat uplands of the Western Punjab; and the third a fertile alluvial tract in the river valley is called the Sind. The ruling family is descended from the Abbasside Khalifas of Baghdad. The tribe originally came from Sind, and assumed independence during the dismemberment of the Durrani empire in the Treaty of Lahore in 1809, Ranjit Singh was confined to the right bank of the Sutlej

The first treaty with Bahawalpur was negotiated in 1833, the year after the treaty with Ranjit Singh for regulating traffic on the Indus. It secured the independence of the Nawab within his own territories, and opened up the traffic on the Indus and Sutlej. During the first Afghan War the Nawab rendered assistance to the British and was rewarded by a grant of territory and life pension. On his death the succession was disputed and for a time the administration of the State was in the hands of the British authorities. The present Nawab is Capt H H Rukn-ud-Daula, Nasrat Jang, Hafiz-ul Muk, Nawab Sir Sadiq Muhammad Khan Bahadur Abbasi V, K.C.V.O., who was born in 1904 and succeeded in 1907. During his minority the State was managed by a Council of Regency which ceased to exist in March 1924, when H H The Nawab was invested with full power. His Highness is now assisted in the administration of his State by a Chief Minister, Nawab Maula Khan Bahadur, C.I.E., a Public Works and Revenue Minister, Mr J A O Fitzpatrick, B.A., LL.B., C.I.E., C.B.E., I.C.S., and a Home Minister, Maulvi Ghulam Hussain, Qureshi Hashmi

The chief crops are wheat, rice and millet. The Lahore, Karachi branch of the North Western State Railway passes through the State. The State supports an Imperial Service combined Infantry, in addition to other troops. The capital is Bahawalpur, a walled town built in 1748

A WORD OF ADVICE

Buying shoddy materials for your home or for your personal wear is, in a country like India, sheer extravagance. Quality must be considered.

The climate and strenuous laundry, peculiar to this country, soon kill off the weaklings, so to speak, and sound quality only will stand the strain.

MUIR quality has stood the test of the tropics for over 50 years and their name for Household Linens, Towels, Dusters, Furnishing Fabrics, Durries, Tents and Cotton manufactures is famous throughout India. But remember, although they specialise in *Quality*, they also specialise in *Reasonable Prices*—two very good reasons why you should send to the MUIR Mills first.

OUR LIST

which is a comprehensive collection of all our merchandise is available free on request. Why not send for it now? Samples sent willingly.

GANESH FLOUR

Eminent Dietetic Experts all the world over agree on the point that **Wheat** is in itself a complete body-builder. There is no simpler and more agreeable food than **Wheat Flour and Atta**. It is tasty, highly nourishing and easily digested, and this you can get with **ABSOLUTE RELIABILITY** from the largest and the oldest well-known Mills

THE GANESH FLOUR MILLS CO., LTD. DELHI AND LYALLPORE.

**Under the distinguished patronage of His Excellency Lord Baron Hardinge of
Penshurst, late Viceroy and Governor-General of India.**

The foremost Mills in the country producing high-class Flour, Atta and Bran, and having **A VERY LARGEST SALE**. They have pioneered the Wheat Flour business in the country. Their products have stood the test of time since 1894, and their intrinsic merit has won general approbation for them.

IT IS FALSE ECONOMY

to buy your Flour and Atta from petty millers and shop-keepers, who might sell a little cheaper, since they are likely to mix all sorts of inferior grains, and thus think more of their profit than the health of their customers :

PRACTISE TRUE ECONOMY

by placing your order with **THE GANESH FLOUR MILLS CO., LTD., DELHI**, who use the finest Wheat the country can produce without adulterants, and have got over 30 years' untarnished reputation to back them.

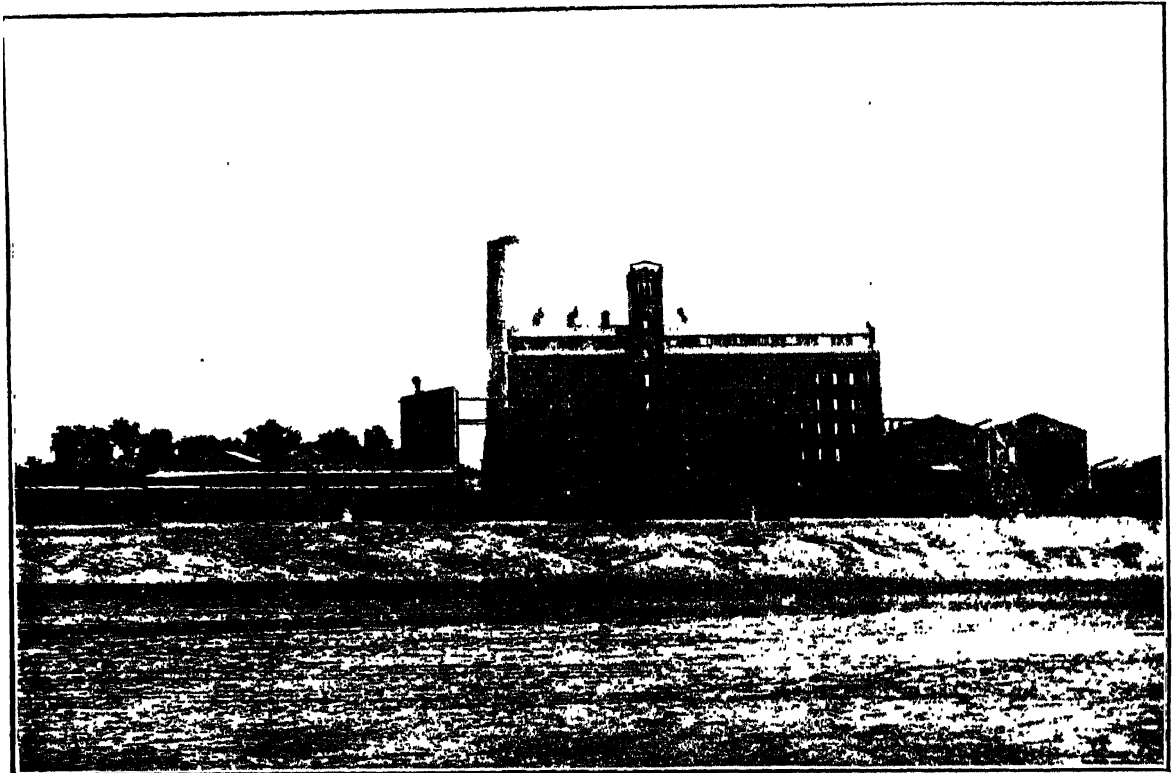

**Ask for GANESH FLOUR at your Baniyas or Stores, and insist on having it,
or order direct from**
